

Derbyshire Historic Buildings Trust

Fundraising Trustee Role Description

Derbyshire Historic Buildings Trust (the Trust) is looking for a new Trustee to help lead the organisation into its exciting new future.

Established in 1974, the Trust has been responsible for the rescue of many historic buildings throughout Derbyshire. Using their skills and knowledge, members of the Trust identify neglected and abandoned historic buildings and then work to bring them back into new sustainable use.

The objectives of the Trust are to undertake or support restoration projects for historic buildings within the county; to deliver learning projects to help acknowledge the value of historic buildings and to provide technical advice to those responsible for historic buildings.

To support these objectives, the Trust will fundraise, deliver, and organise events, communicate with the Friends of the Trust and undertake surveys.

In 2022 the Trust secured £667,000 of funding from the National Lottery Heritage Fund to complete their flagship project at the Grade II* listed Wingfield Station near Alfreton. This followed a successful phase of urgent repair works, primarily funded by Historic England. The Trust has a pipeline of future projects requiring attention and are aiming to undertake a visual survey of over 8,000 listed buildings in Derbyshire and the Peak District. In 2018 the Trust launched their Architectural Awards to help promote all the best in Derbyshire's architectural heritage.

The Trust is a non-profit organisation and a registered charity. There are currently eight Trustees on the Board. All trustee roles are voluntary positions.

Its next challenge is to broaden its support base and increase people's access to, and enjoyment and understanding of, their heritage. It is in this context that the Trust seeks a new Trustee with expertise in the field of fundraising.

Being a trustee will provide a challenging, rewarding, and enjoyable opportunity to volunteer with the Trust and play an important role in shaping its future.
